

Why Wildrose Loyalty Coalition?

Leader, Paul Hinman

Albertans are in a broken, dysfunctional, toxic relationship with Ottawa and we must take control of our future.

The legacy political parties continue to divide the people, usurp freedoms, and enforce ruinous social, economic, and environmental policies.

Elect Wildrose Loyalty Coalition candidates and

“Send a Message to Ottawa”

Together we will end the over-taxation and vote buying federal policies.

Alberta must be free of federal interference if we wish to continue to lead the world in the responsible and ethical production of food and energy.

The best government is an accountable government through recall 24/7.

Together we will save Alberta

Our leader, Paul Hinman is the original leader of the Wildrose movement. Once again he is bringing together a coalition of people who are loyal to Alberta and committed to protecting our freedoms.

Paul has been elected twice to the Alberta Legislature, though never in a legacy party. He is principled and knows the importance of prioritizing. He understands that the proper role of government is to ensure a just society with a free market. He recognizes the need to create a new Constitution that recognizes the Supremacy of God, the Rule of Law and protects the individual's inalienable rights of: Life, Freedom, Property, and the Pursuit of Happiness.
